DISCOVER
AUSTRALIA

Australia is ranked among top 10 countries in the world for quality of life.

Australia is the 3rd most popular study destination in the world.

6 of the world's top universities are located in Australia.

Australia's cost of living and tuition costs are lower than US or UK.

Nearly half (49%) of all Australians were either born overseas or have at least one parent born overseas.

International student survey shows 86% were satisfied or very satisfied with their study experience in Australia.

International students are able to work part time while study, allowing them to earn valuable work experience and offset part of their living costs.

According to QS Best Student Cities 2019, almost all of our major cities – Melbourne, Sydney, Brisbane, Canberra, Adelaide, Perth and the Gold Coast – are in the world's top 100 student cities.

International students report almost 90% satisfaction scores for their living and study experience in Australia according to the 2018 Department of Education International Student Survey.

60%
of international students are from these top five countries

3% Indonesia
4% Vietnam
9% Nepal
16% India
28% China

SYDNEY
at a Glance

The region is renowned for its local industries, especially in Financial and Insurance Services, and Property & Business Services.

Sydney is home to many universities and a large number of best quality public & private higher education providers, vocational and English colleges.

With over 25 percent born overseas, more than 1.3 million residents speak a language other than English at home making Sydney a true multicultural city.

▶ With a 5.3 million population, Sydney is the largest city in Australia both by population and size. It is the capital city of the Australian State of New South Wales and is located on the South-East Coast of Australia and became the capital in 1901 at the time of federation.

▶ Sydney is one of Australia's most popular destinations for international students.

▶ People from over 180 nations reside in Sydney. This mix of cultures, histories, experiences, and stories makes Sydney a great place to live, visit, work and study.

Homestay $235 to $325 per week	Rental $185 to $440 per week	Boarding Schools $11,000 to $22,000 a year

▶ Other living expenses

Groceries & Eating Out $140 to $280 per week	Gas, Electricity $10 to $20 per week	Phone & Internet $15 to $30 per week
Public Transport $30 to $60 per week	Car (after purchase) $150 to $260 per week	Entertainment $80 to $150 per week

VOCATIONAL
EDUCATION

Vocational Education and Training (VET) is a study that provides you with the opportunity to learn practical job skills. It is an ideal study pathway for international students who are seeking a quicker path into the workforce as it focuses on real-world industry-based skills. Australia's VET sector is based on a partnership between governments and industry.

VET courses are organized by Registered Training Organizations (RTOs), which provide nationally recognized qualifications. RTOs include Technical and Further Education (TAFE) /institutes and private colleges (including specialized colleges such as technical colleges) but some universities may also offer VET courses in addition to other higher education courses. VET courses start with Certificate I to IV, Diploma, Advanced Diploma and the highest level is Graduate Diploma level.

RTOs that wish to offer their courses to international students must also be registered with the Australian Government's Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). CRICOS allows the Australian Government to monitor the education provided to international students and ensure that it maintains quality standards.

Vocational education is more accessible than higher education.

It helps to upgrade the skills to excel in a chosen field or move into a different career.

As vocational education combines internships, placements, and other forms of increased hands-on experience, it provides quick employment alternatives and equips you for entry-level employment in the career of your choice.

VET courses have a shorter duration than University education: The majority of vocational programs are shorter than those from regular colleges or universities in terms of length. In fact, many programs only require one to two years to complete for an associate degree, and some can be completed in as little as six months.

It opens doors to higher education as students receive credit exemptions after completing VET courses.

Many vocational schools combine classroom learning with practical experience through supervised practicums or externships at off-campus facilities or with employers. It increases productivity, empowers individuals to become self-reliant and stimulates entrepreneurship.

South Sydney College (SSC)

SOUTH SYDNEY COLLEGE
Pride in Excellence

South Sydney College has four campuses located across Sydney and the Gold Coast.

Our main campus in Burwood is just a 2-minute walk from the train station, providing a swift 12-minute train ride to Sydney's Central Business District, offering access to the best of the inner west and Sydney city. With our Surry Hills campus allowing students to immerse themselves in the vibrancy of Sydney city. This campus is within walking distance of the central train and light-rail stations, providing easy access to Darling Harbour and iconic landmarks such as the Opera House and the Harbour Bridge.

For our automotive students, we have our practical training centre conveniently located near the Revesby train station, offering a unique hands-on learning experience for automotive education.

Learning at our Gold Coast campus provides a very unique educational experience. Students immerse themselves in education surrounded by the stunning landscape that defines the Gold Coast.

However, at South Sydney College, our commitment extends beyond locations. Our trained staff is dedicated to guiding you on your educational journey, ensuring you stay on the right path to achieve your study and career goals. From reserving free extra classes to offering personalised support, we are here to help you succeed. Join us at South Sydney College, where education meets opportunity, and your future begins to unfold.

1. Articulation with University
SSC has articulation with many Universities in Australia that provide higher education such as the University of Southern Queensland, Griffith University, and Torrens University. In addition, we also have a partnership with Gess Education to deliver our Information Technology courses at Gold Coast, Queensland.

2. Flexible Learning
Students will be learning through various learning modes, such as: Face-to-face, online, and workshops depending on the chosen subject. As well, courses are offered in day or evening sessions. Opportunity for students to choose the best timetable to suit their lifestyle.

3. Outstanding Teachers
Our teachers are experts with extensive professional experience in their field who also provide additional study classes outside of scheduled lectures for additional support to the students.

4. Convenient Campus Location
We are located in the heart of Sydney's fastest-growng business region just 11 km from Sydney's CBD, adjacent to Burwood station.

5. Good Value For Money
SSC offers accredited courses at a reasonable cost that can help you develop professional skills, improve your current skills, or retrain for new employment. It will equip you with the hands-on skills and expertise you require to excel in your chosen career path.

6. Exceptional Student Support System
Our student support team is there to support you during your study at SSC. The support team understands that every student is a unique individual and they have unique circumstances. We provide support according to needs of every student.

7. We Speak Your Language
Our multicultural team speaks a combined total of 12 languages and provides you with the comfort that you may be needed during the initial stage.

8. Making Leaders of Tomorrow
We always look for ways to help our students become the Leaders of the Future.

Pathways To Universities

We provide our students with continuing study pathways toward Bachelor's Degree who wants to pursue further study. Students will receive credit exemption towards Bachelor's Degree with our partner University after finishing studies at South Sydney College.

Undergraduate Pathway

Certificate → Diploma → Advanced Diploma → Bachelor Degree

" STUDY WORLD-CLASS EDUCATION IN THE HEART OF AUSTRALIA

SOUTH SYDNEY COLLEGE

Pride in Excellence

English Language Intensive Course for Overseas Students (ELICOS)
CRICOS Code: 0100973

South Sydney Colleges' (SSC) ELICOS (English Language Intensive Course for Overseas Students) course caters for all levels, from elementary to advanced. At SSC, we pride ourselves on focusing not only on the four key macro skills: speaking, listening, reading and writing, but also on the advanced development of grammar and vocabulary. Students have access to support services, computer laboratories, and social and language activities to enhance their multicultural learning experience in Australia, Pronunciation and grammar are key components at all learner levels and the course is carefully balanced to ensure that both interesting and dynamic topics are covered. Weekly assessments allow students to evaluate their progress regularly. Our teachers are fully qualified and equipped with a wealth of international teaching experience. Whatever your English level, our course will give you the confidence and skills needed to communicate in English successfully.

Our General English students will:
- Improve vocabulary in a variety of interesting topics.
- Gain confidence and motivation in speaking English.
- Understand the reason behind common errors and how to fix them.
- Improve pronunciation and intonation.
- Develop and refine speaking ability.
- Have weekly assessments and individual feedback.

Course Duration
72 weeks (12 weeks per Level)
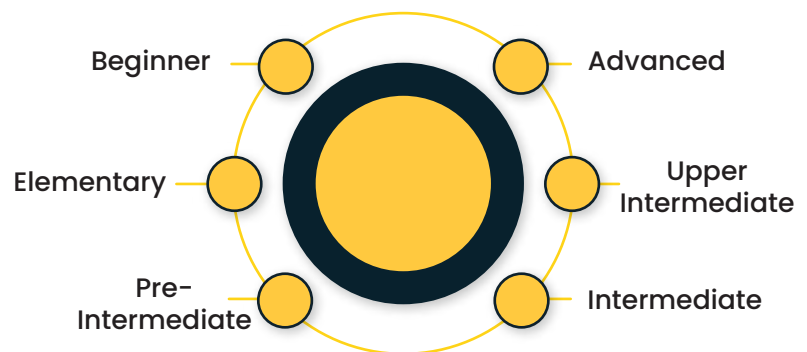

Study Load
20 Hours/ week

Study Delivery
Face to face on campus

SSC offers 6 different levels to cater every-one's need:

Career Pathway
Mechanical Diagnosis, Automotive
Electrical Overhauling, Vehicle
Loss Assessing or Automotive
Management

Courses Outcome
A nationally recognised/accredit-
ed Qualification at the Certificate
III Level, AUR30620 Certificate III in
Light Vehicle Mechanical Technol-
ogy.

Practical Workshop
Practical learning components of
this course will be delivered
through an approved Automotive
Workshop.

Certificate III in Automotive Electrical Technology
Course Code: AUR30320 | CRICOS Code: 112613F

This qualification reflects the role of individuals who service, diagnose and repair electrical systems and components in vehicles in the automotive electrical service and repair industry.

What You Will Learn

This course is designed for International Students who want to start and develop a career as a Automotive electrician, Automotive air conditioning specialist, Automotive electrical diagnostic technician. This Certificate will teach you the core knowledge and skills needed to succeed including diagnosing electrical components with the use of specialised tools and equipment. When you complete this course, you will be on the pathway towards higher Certificate IV and Diploma qualifications to become a Diagnostic Technician.

Course Units*
This Qualification has total 32 units including 21 core units and 11 elective units:

Code	Unit Title
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETK002	Use and maintain electrical test equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR007	Apply knowledge of automotive electrical circuits and wiring systems
AURETR009	Install vehicle lighting and wiring systems
AURETR010	Repair wiring harnesses and looms
AURETR027	Install ancillary electronic systems and components
AURETR112	Test and repair basic electrical circuits
AURETR123	Diagnose and repair spark ignition engine management systems
AURETR124	Diagnose and repair compression ignition engine management systems
AURETR125	Test, charge and replace batteries and jump-start vehicles
AURETR128	Diagnose and repair instruments and warning systems
AURETR129	Diagnose and repair charging systems
AURETR130	Diagnose and repair starting systems
AURETR131	Diagnose and repair ignition systems
AURETR132	Diagnose and repair automotive electrical systems

*For full list of units, please visit:www.ssc.edu.au or call us: +61-2-85998866

29

Certificate IV In Automotive Mechanical Diagnosis
Course Code: AUR40216 | CRICOS Code: 106390M

This qualification reflects the role of individuals who perform advanced diagnostic tasks in the automotive retail, service and repair industry.

What You Will Learn

This course is designed for International Students who want to advance their career in the Australian automotive industry and develop essential mechanical skills. This Certificate will teach you the core knowledge and skills needed to succeed in the automotive industry including the use of light vehicle tools and specialised equipment. When you complete this course, you will be qualified for the Diploma qualifications on the way to becoming Diagnostic Technician.

Course Units*

There are a total of 10 units to complete the course. This includes 1 core units and 9 Elective units. Some of the units of this course are listed below:

Code	Unit Title
AURTTA021	Diagnose complex system faults
AURETR037	Diagnose complex faults in light vehicle safety systems
AURLTB104	Diagnose complex faults in light vehicle braking systems
AURLTD109	Diagnose complex faults in light vehicle steering and suspension systems
AURLTE104	Diagnose complex faults in light vehicle petrol engines
AURLTE105	Diagnose complex faults in light vehicle diesel engines
AURLTX104	Diagnose complex faults in light vehicle automatic transmission and driveline systems
AURTTA125	Diagnose complex faults in vehicle integrated stability control systems
AURTTR101	Diagnose complex faults in engine management systems
AURETU006	Diagnose complex faults in air conditioning and HVAC systems

*For full list of units, please visit:www.ssc.edu.au or call us: +61-2-85998866

Course Duration
30 Weeks (2 Terms)

Career Pathway
Automotive electrical workshop manager

Study Pathways
Gain direct entry for selected Bachelor Degree course in our partnered Australian Universities.

Courses Outcome
A nationally recognised/ accredited qualification at diploma level, AUR50216 Diploma of Automotive Technology.

Diploma of Automotive Technology
Course Code: AUR50216 | CRICOS Code: 112614E

This qualification reflects the role of individuals who diagnose, analyse, evaluate, design and modify vehicle systems in the automotive retail, service and repair industry.

What You Will Learn

This course is designed for International Students who want to start and develop a career as Advanced Master Technician Advanced Diagnostic Technician. This Diploma course will teach you the core knowledge and skills needed to succeed as an advanced Technician. In this course you will learn to analyse and evaluate various faults and diagnose complex system faults.

Course Units*

This Qualification has total 12 units including 1 core units and 11 elective units:

Code	Unit Title
AURAFA007	Develop and document specifications and procedures
AURLTB002	Analyse and evaluate faults in light vehicle braking Systems
AURLTD007	Analyse and evaluate faults in light vehicle steering and suspension systems
AURLTE003	Analyse and evaluate faults in light vehicle engine and fuel systems
AURLTQ003	Analyse and evaluate faults in light vehicle transmission and driveline systems
AURETA002	Analyse and evaluate electrical and electronic faults in body management systems
AURETA006	Analyse and evaluate electrical and electronic faults in air conditioning and HVAC systems
AURETE001	Analyse and evaluate electrical and electronic faults in engine management systems
AURTNA001	Estimate and quote automotive vehicle or machinery modifications
AURETX001	Analyse and evaluate electrical and electronic faults in driveline management systems
AURETR137	Diagnose complex faults in light vehicle safety systems
AURTTA121	Diagnose complex system faults

*For full list of units, please visit:www.ssc.edu.au or call us: **+61-2-85998866**

Course Duration
104 weeks* (8 Terms)

Study Load
Full time

Study Commitment
20 hours/week
(15 hours via face to face, 5 hours via e-learning portal)

Study Mode
On campus (blended face to face and online)

Intakes
2023: 6-Mar, 17-Apr, 10-Jul, 14-Aug, 25-Sep, 27-Nov*

Career Pathway
- Senior civil works designer
- Para- professional designer
- Engineering project officer
- Civil Engineering designer
- Civil Engineering draftsperson
- Civil Engineering technical assistant
- Civil construction project manager

Study Pathways
Gain direct entry for selected Bachelor Degree course in our partnered Australian Universities.

Courses Outcome
Qualification at Advanced Diploma level, RII60520 - Advanced Diploma of Civil Construction Design.

SCAN TO LEARN MORE

Advanced Diploma of Civil Construction Design
Course Code: RII60520 | CRICOS Code: 110231C

The Advanced Diploma of Civil Construction Design course will be delivered over 2 years (up to 104 weeks*, over 8 Terms). The course will equip you with the theoretical and technical knowledge to work as a senior civil works designer or a paraprofessional designer, who supports professional engineers on the design and construction of infrastructure projects.

What You Will Learn

This course involves a combination of various learning activities such as: case studies, project assessments, research work, knowledge assessment and computer aided design. By completing In this course you will gain skills and knowledge in the following areas:
• Manage scope, quality and procurement of a project
• Manage risks of a program
• Manage team effectively
• Application of safe design principles to control WHS risks
• Manage the civil works design process
• Design of motorways and interchanges
• Preparation of detailed traffic analysis
• Establish and maintain a quality system
• Produce basic drawing by using computer aided design system

Course Units*

There are a total 12 units to complete the course. This includes 5 core units and 7 Elective units. Here are list of few units of this course:

Core/Elective	Code	Unit Title
Core	BSBPMG632	Manage program risk
Core	BSBTWK502	Manage team effectiveness
Core	BSBWHS616	Apply safe design principles to control WHS risks
Elective	BSBPMG530	Manage project scope
Elective	RIICWD512E	Prepare detailed design of motorways and interchanges
Elective	BSBHRM611	Prepare detailed traffic analysis

*For full list of units, please visit:www.ssc.edu.au or call us: +61-2-85998866

SSC provides a range of courses and programs that are designed to meet the needs of students from various backgrounds

SOUTH
SYDNEY
COLLEGE
Pride in Excellence

APPLICATION PROCESS

1 **Application**
Send application, Passport and Academic Certificates are mandatory at this stage.

2 **Offer Letter**
SSC evaluates application and if eligible issues offer letter within 2-3 working days.

3 **GTE Documents**
Once you receive an offer, prepare the GTE documents including GTE Statement and send it to us for review.

4 **CoE**
Once your GTE is approved, you can proceed with the tuition fee payment. SSC offers Confirmation of Enrolment (CoE) after receiving tuition fee as the offer letter states.

5 **Student Visa**
Apply for the student visa as the immigration checklist states.

Note:
* Students can apply directly via our website: www.ssc.edu.au
* Please check course-specific entry requirements for details, please contact us: at +61-2-85998866 or email: info@ssc.edu.au.

Qualification By Country

Country	Year 10 Equivalent	Year 12 Equivalent
Australia	Australian Year 10 Secondary Certificate of Education satisfactory completion	Australian Year 12 Senior Secondary Certificate of Education satisfactory completion
Brazil	Certificado de Ensino Medio (Year 10 or Year 11 equivalent)	Certificado /diploma de Ensino Medio (Year 12 equivalent)
Bangladesh	Secondary School Certificate DIBP requires completion of Year 11 for student visa	Higher Secondary Certificate/vocational higher secondary certificate (Minimum CGPA is 3.5 or 60% in HSC/First Division pass) GCE A-Level (3 passes)
Bhutan	Bhutan Middle Secondary School Certificate	Bhutan Higher Secondary School Certificate or Middle Secondary School Certificate plus 2 year relevant vocational diploma
China	Senior Middle 2 (DOHA requires completion of Year 11)	General Senior Secondary Unified Graduation (Certificate of Graduation)
Colombia	Bachillerato Upper Secondary Schooling (Year 11 equivalent) (DOHA requires completion of Year 11)	Bachillerato (Secondary School Certificate)
Fiji	Fiji only Form 6 School Leaving Certificate for student visa or DOHA requires completion of Year 11 for student visa	Fiji only Fiji Form 7 Examination/ Fiji School Leaving Certificate (FSLC)
India	All Indian Secondary School Certificate, Indian Certificate of Secondary Education (ICSE SX) Secondary Certification, GCE O-Levels (4 passes) DOHA requires completion of Year 11 for student visa	All India Senior School Certificate or Indian School Certificate or Certificate of Vocational Education or Senior Secondary Certificate or State Boards of Secondary/Senior Secondary Education certificates, GCE A-Levels (2 passes)
Indonesia	Secondary School: SMU 3 or SMK 3	Certificate of Completion of Senior Secondary Education (Ijazah/STTB SMA/STTB SMK) or Certificate of Graduation (SKHUN)
Republic of Korea	Completion of Senior High School Grade 1 or equivalent	General/Academic Senior High School Certificate/ Diploma (Kodung Hakkyo Choreupchang)/HS Diploma
Malaysia	SPM or GCE O-Levels (4 passes) or Senior Middle 2	STPM Senior Secondary Certificate of Education or GCE A Levels - 2 passes, UEC
Nepal	Completion of Higher Secondary Education Board Certificate, DOHA requires completion of Year 11 for student visa	Higher Secondary Education Board Certificate (Grade 12)
Pakistan	Secondary School Certificate DOHA requires completion of Year 11 for student visa	Higher Secondary School Certificate/ Intermediate Certificate
Philippines	High School Diploma or National College Entrance Examination (NCEE) + one year of Bachelor Degree OR from 2018, successful completion of Grade 11 Senior High School (DOHA requires completion of Year 11)	Higher Secondary School Certificate/ Intermediate Certificate
Thailand	Matayom 6 or MS 6. (Certificate of Secondary Education)	Matayom 6 or MS 6. (Certificate of Secondary Education)
Sri Lanka	Sri Lankan GCE O-Levels (4 subject passes) DOHA requires completion of Year 11 for student visa	Sri Lankan GCE A-Level (3 passes) or British GCE A-Level (2 passes)

Policies For Students Below 18 Years Old

The Department of Home Affairs must be satisfied that appropriate welfare arrangements are in place for under-18 students before a visa is granted. It is also required to maintain appropriate accommodation, support and general welfare arrangements for the period that the student will be under 18 years old while in Australia. Unable to maintain this requirement may result in the cancellation of a student visa.

Students under 18 years of age (16 or 17 years old) can apply for our ELICOS and Vocational courses.

Option 1: Accommodation And Welfare Approved By The Department Of Home Affairs (Arranged By Parents/Legal Guardian)

The person eligible to be nominated to take responsibility for the student's accommodation, welfare and support is identified as below:

- A parent, spouse, de facto partner, brother, sister, step-parent, step-brother, step-sister, grandparent, aunt, uncle, niece or nephew, or a step-grandparent, step-aunt, step-uncle, step-niece or step-nephew and
- A person nominated by a parent of the applicant or a person who has custody of the applicant and
- Aged at least 21 and
- Of good character, and show this by providing a police clearance from the counties in which they have lived for more than 12 months in the past 10 years after the age of 16 and
- An Australian citizen, permanent resident or be eligible to remain in Australia until the overseas student's visa expires or the overseas student turn 18 years old - whichever happens first.

SSC will not issue a CAAW letter when the eligible person nominated to take responsibility for the overseas student's welfare as per the Migration Regulation 1994 is approved by the Department of Home Affairs.

If you choose option 1 then you must provide the following documents/information for South Sydney College (SSC) record purposes:

- Student Guardianship Arrangements Form 157N. Note: This will make a total of 7 points in this section
- Certified copy of your birth certificate
- Welfare Arrangements - Evidence of relationship to a nominated relative
- Welfare arrangements along with ID proof of the nominated relative.
- Welfare arrangements - overseas penal clearance for a nominated relative
- Nominated relative- Character Requirements-Australian Federal Police (AFP), National Police Check (Complete Disclosure)

Option 2: Accommodation And Welfare Approved By South Sydney College

SSC has approved welfare carer service and homestay providers. The student must have an arrangement with the approved welfare carer service and homestay providers.

SSC will issue a 'Confirmation of Appropriate Accommodation and Welfare' letter (CAAW) which can be used for an application for a student visa. In the case where the under 18 years age overseas student wishes to arrive in Australia earlier than the commencement date on his/her CAAW, the student must be accompanied by a nominated guardian approved by the Department of Home Affairs.

If the underage overseas student is unaccompanied, SSC must agree to extend its period of approved care arrangements to cover the student from the date of his/her arrival or the student must not travel to Australia until the CAAW commencement date.

Step 1. Contact SSC Admission for welfare and accommodation services:

Parents/guardians or nominated agents should contact the SSC Admission team (**admission@ssc.edu.au**), who will help you with the application for welfare and accommodation providers.

The SSC-approved welfare provider is ISA Student Advocates (**www.studentguardians.com**) and the Australian Homestay Network AHN, with whom we are partners: **https://www.homestaynetwork.org/south-sydney-college-students/.**

Step 2. Setup and approval welfare and accommodation services:

SSC Admission team will guide you to set up and approval of the accommodation and welfare services.

Step 3. Issue CAAW

When the approved accommodation and welfare arrangements are in place. SSC will issue a 'Confirmation of Appropriate Accommodation and Welfare' letter (CAAW) which can be used for an application for a student visa.

The SSC Student Support team (**support@ssc.edu.au**) will be managing the accommodation and welfare arrangements for under 18's during their study at SSC. If you require further information about the under 18 years age student's welfare and accommodation or any other services, please contact our office: **admission@ssc.edu.au**.

FREQUENTLY ASKED QUESTIONS

How many units are there each term?
Usually, there are 2-3 units/term depending on the course and term.

What English Tests are accepted by SSC?
IELTS, PTE, Cambridge English: Advanced, TOEFL IBT, OET, General English (Upper Intermediate), EAP from approved ELICOS/ESL Centre.

How long will it take for me to get an offer letter/ COE from SSC?
Offer letters and Certificates of enrollment are issued in 1-3 working days (Monday to Friday)

Is it compulsory to attend the student orientation?
Attendance to our orientation is highly recommended because it will provide you with all the information you need to begin your studies, and is a great chance to meet other students. However, if you are unable to attend, please contact us: admission@ssc.edu.au

How can I pay the fees during my study in SSC?
The fees are set out in the letter of offer are payable on acceptance of offer. A minimum 25% tuition fee payment is required to issue the COE. Students can choose to pay more than the 25% as specified in the application form. Payment for each term is due two weeks before term starts.

What will happen if I delay in paying my fees in one term?
You will be entitled to pay late fees charges. ($200-7 days, $400-14 days)

How does the credit points work?
What are the grading standards of SSC?
SSC's grading system is competency based rather than credit points/marks. Competency- based training is a method of training that focuses on a learner's ability to receive, respond to and process information to achieve competency. It is geared towards the attainment and demonstration of skills to meet ndustry- defined standards, rather than to a learner's achievement relative to that of others.

Can I work during my study period in SSC?
Students cannot work until they have commenced studies in Australia. Once the course has started, students are permitted to work a maximum of 40 hours per fortnight during the term, and unlimited hours during term break.

Can I transfer to some other education providers while studying in SSC?
Students are required to complete at least 6 months of the principal course to be eligible to transfer to another provider. If you have compelling or compassionate circumstances and you need to change provider, you must contact the college administration. A decision will be made case by case.

WHAT STUDENTS SAY
ABOUT US

Md Nahidul ★★★★★

I've been enrolled for community service and the trainer of this course is really nice , humble and gentle. The environment of this institute is beautiful! And the important advantage is it is near to the train station. I would love to encourage the students who is seeking for higher education in Australia you can have a check up here.

Juan Joaquin ★★★★★

Undeniably one of the institutions in sydney. orientation went great. The trainer was very friendly and accommodating when it comes to inquiries. Highly recommended . God bless.

Nikesh Ghimire ★★★★★

I have had an great experience. My overall experience has been fantastic so far! I've made a great group of friends.I have received more than enough support . Not only for teaching sector its good for affordable college fees for student. The main way they create was Friendly environment of teaching and learning. I thanks for every things to all my respected teacher and my friends of my college i will always be a part of south sydney college.

Sharr Yacat ★★★★★

They're all kind and approachable. studying in ssc is one of best decision i ever made. Thanks.
